Join us for a cocktail hour + meet and greet at [NewTechNorthwest's New Tech Job Fair](#) on Thursday, January 31st at Galvanize in Downtown Seattle.

This is an opportunity for group members to make new connections, talk about their work, learn more about opportunities in the industry and share their LinkedIn success stories with enthusiastic job seekers.

Let's show up and show our support for fellow technologists. Members are granted free access to the Happy Hour portion of the event, which is powered by LinkedIn.

Logistics:

Volunteers are **welcome to arrive between 4-4:30PM** to pick up your shirt and check out the fair before the happy hour starts. When you first arrive, please check-in with reception, and let them know you're a LinkedIn volunteer. They have a special LinkedIn name badge for volunteers. Happy Hour starts at 5PM sharp!
